Dear Dr. Spivacke:

Thank you for granting an extension of time for use of the recording machine. Recordings are now being made in Tampa and Tarpon Springs.

Enclosed is a description of photographic supplies needed to furnish you with pictures of our work in the field. This is in accordance with your letter of April 19, 1940.

Enclosed also is copy of a letter from Professor Alton C. Morris regarding duplicates of the Florida records and my reply. I trust this is a correct report of my conversation with you.
